Abstract main text should be written in Times New Roman point 11, justified text, with single line spacing. Paragraphs are to be separated by a blank line. Please note that 1 A4 page is an absolute maximum for all abstracts – including any graphical material and references. Pictures, diagrams and illustrations are more than welcome.

The picture (**Fig. 1**) below is only an example and should not be included in your abstract. References are to be given within brackets [1] [2].

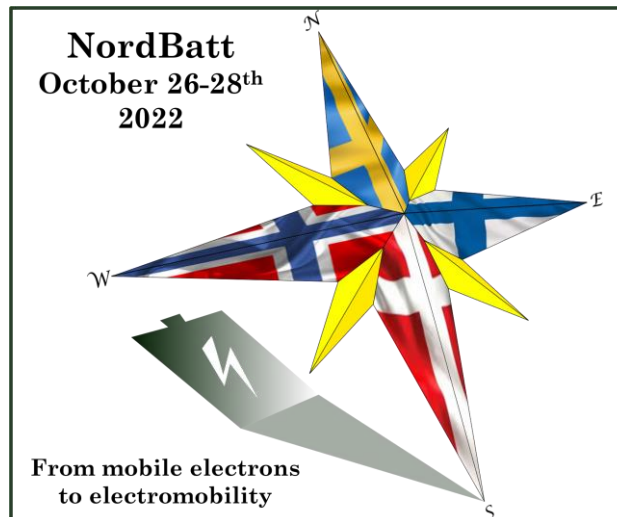

Figure 1. Figure caption is to be written in Times New Roman point 10, centered and in italics.
